I don't see any need or potential for charges based on what we know at this point. I think they are expecting worst case scenario

Good morning Chief,

I know you and your Intel are aware of the trucker convoy headed to Parliament Hill on January 29th. I found a video that was posted 21 hours ago on Facebook. It shows the vehicles and people that are headed your way. In case any charges need to be laid, I figured this video is good for identification purposes, if needed.

There are truckers, motorcycles and cars headed your direction. I don't have connection for anyone in your Intel department or I would have sent it to them directly.

Here is the link to the video

I hope this email finds you well.

Kind regards,

Laurie
